Dear Friends:

I am honored to welcome you to the Kin On Community Health Care's 25th Anniversary celebration "Celebrating Silver, Striving for Gold." I am sorry I am not able to join you in person, but I thank you for the opportunity to present this letter to the Kin On Health Care Center.

The Kin On Health Care Center has come such a long ways in the last 25 years. Its commitment to serving and providing high quality care for the Asian elderly, disabled individuals, and their families is commendable. I also want to thank all of the individuals, organizations, and companies who have invested in the Kin On Health Care Center over the years.

Please enjoy yourselves and celebrate this evening!

Sincerely,

Patty Murray
United States Senator
